SURNAME	Schuchardt	
FIRST NAME	Marcell	
PROFESSION	Architect	
YEARS EXPERIENCE	17	
DATE OF BIRTH	27 March 1967	
LOCATION	Cape Town	
YEARS WITH FIRM	1	
NATIONALITY	German originally, South African permanent Residence	
PROFESSIONAL BODY	SACAP	
PROFESSIONAL REG. No.	CANT21702	
SHORT STATEMENT		

Marcell was born and raised in Germany.

His career in Architecture started only with the age of 28 (1995), after leaving his first career in Electro/Electronic Communication with the German Telekom.

During his studies at Fachhochschule Frankfurt, he spent five years as Architect-in-training in several Architectural offices, with occupying positions as project Architect. His Involvements in projects including residential, hotel, rehab clinics and hospitals led him thru all stages of the architectural profession.

He came to South Africa in 2004, managing the South African branch of one of his former employer as partner.

In 2007 ARG Design recruited him as Senior Architect. He is currently applying for registration to SACAP.
